

Smack Principles

- Principle #1: Thoughts become things.
- Principle #2: To be successful, do what successful people do.
- Principle #3: Every morning marks the beginning of the rest of your life.
- Principle #4: You attract your own destiny.
- Principle #5: Money follows those who don't follow it.
- Principle #6: You are only as great as the people around you.
- Principle #7: Some things are true even if you don't believe.
- Principle #8: The dumbest question is the one not asked.
- Principle #9: If it seems like its to good to be true keep studying.
- Principle #10: In the end the numbers speak for themselves.
