

Terms of use:

This design is being distributed as Free information for private use only. It may be freely used, copied and distributed as long as it is not sold and/or charged for, or incorporated into any item that will be sold or charged for, and all original files are included, including this statement. You are NOT allowed to make a charge for distributing this design (either for profit or merely to recover your distribution costs) whether as a stand-alone product, or as part of a compilation or anthology, without explicit prior written permission. By using this Smack Design, you agree to these terms and the terms of the Disclaimer below:

If you wish to sell the information for profit (such as Ebay, etc), you must share 50% of the profits with DP Engineering and DesignWorks from each sale.

If you wish to manufacture, distribute and/or sell completed Smack Booster units or kits you must first pass a one time quality inspection from DP Engineering and DesignWorks. After passing the initial inspection, you will be required to share 20% of the profit from each unit sold with DP Engineering and DesignWorks.

Disclaimer:

DP Engineering and DesignWorks cannot be held responsible for the improper use of this design, failure to follow correct safety procedures as explained on this site, or the propagation of incorrect information by any other parties. We highly encourage and stress the use of proper safety procedures and good judgment when using this technology.

DP Engineering and DesignWorks encourages entrepreneurial activities and is willing to work with other business entities that share similar work ethics and principles. We look forward to working together with you.

Dustin Pereslete, President DP Engineering and DesignWorks
